Entry Form

All entries must be homemade. Prepackaged mixes may only be used as part of the item/dish. Recipe or ingredients, but not quantities must be supplied with each entry. Each entry should have a separate form. Please submit all entries in disposable containers. All entries will be assigned a number so that judges will not know whose entry is being judged. Awards will be presented the day of the contest following judging. If winners are not present, they will be notified after the event. If you have questions prior to the event or are interested in participating, volunteering, etc. contact Barb Furusho at 303-857-4348 or visit the website at www.trappersday.com.
